Make the edge with Katia Tencel Cotton, 1 sc in each st (on the short sides) where you in every "corner" crochet [1 sc, ch 1, 1 sc] in the same stitch. Then make 3 sc each around each dc (on the long sides), it will be a simple sc-edging around the whole scarf.

## TASSELS:

Use Katia Tencel Cotton.

Use a kreditcard, driverslicense, bonuscard or something like that where you place a bit of yarn on the shortside and then use yarn and wind 30 turns around (the yarn winds over the longside). Make some knots of the little bit of yarn on the top of the tassel, then take another piece of yarn and wind around the tassel a bit below the top and finish of with some knots to make it stay in place.

Then cut it at the bottom. Sew the tassels in each of the points from the ripples on the scarf.
